nended by the court.

half a million dollars.

Peoria, Ill., Aug. 20.—The steamer Fred Swain, Capt. Verne Swain, of the Peoria and La Salle Packet company, with twenty-five passengers and fifteen sailors abourd, burned down to the water today after the flaming craft had been piloted into four feet of water and the occupants had escaped to the bank of the Illinois river, up which the steamer was bound when it caught fire. Joseph Casrider, the engineer, was burned about the face and body, and Charles Reicheberger of Peoria suffered a broken arm.

Paris, Aug. 20.—Jean Gaston Darboux. permanent secretary of the Academy of Sciences and mimeber of the institute, will represent France of clicially at the Hudson-Fulton celebration to be held at New York. He will sail with the French squadron, which will be commanded by Admiral Jules L. Lepord.

Property Loss \$25,000. The loss is \$25,000. Several of the passengers lost their belongings. Passengers in Panic.

The escape from the burning vessel of the passengers, most of whom were wemen and children, was exciting and at one time pantle reigned. Fears were partly calmed as the burning steamer drew near shore and scores of row-boats were seen hurriedly putting out to the rescue.

TROTTER LOU DILLON HOME. Her Owner Arrives from Europe with Accounts of His Trip.

New York, Aug. 20.—C. K. Billings and E. E. Smathers arrived here to-day on the Mauretania. Mr. Billings was enthusiastic over the showing was enthusiastic over the showing made by his horses on the other side.

"They were sent to the other side as you will remember," he said, "about four months ago, and I followed some time later. Those that were brought back are now at my stables near Fort George, having arrived here on the Bluecher a few days ago, Lou Dillon is among them. Delight, who steps along in about 2.10, did not make the journey home, nor did Fleming Boy, who his traveled in 2.07 3-4. Delight I presented to the German government and Fleming Boy I turned over to Russia.

"I spent most of my time abroad in Germany, Russia and Austria. These governments have imperial studs, and it was at the request of the governments that I went abroad in order to give exhibitions with my horses. The question of racing between their trot-ters and ours, however, is pretty much out of the question. Their marks stand en an average about eight seconds behind those of our horses. Delight and Flemish Boy were turned over to their new owners in order that they may be used for cross-breeding with injured by

NEW COLLIER IS ALL RIGHT. Naval Trial Board Speaks Well of the Government Boat Mars.

Newport, News, Va., Aug. 20.—With the naval trial board and W. A. Wood, superintendent of the constructing company, on the ship, the United States naval collier Mass, the latest product of the Maryland Steel com-pany, Sparrows Point, Md., arrived in Hampton Roads last night from her official speed and endurance tests off the Virginia coast. The senior officer of the naval board announced that the trial of the collier was highly satis-factory. No figures of the speed, coal

FIRE IN AMERICAN EMBASSY. But Put Out Before the Firemen of

afternoon at the American embassy, in the Avenue Kjeber, but the flames were extinguished before the arrival of the firemen. The only loss was some burned curtains.

Ambassador White was at his residence at the time, but Second Secretary Bailly-Bianchard and Third Sec-

retary Pierrepont, with the embassy cierks, carried water in palls, and the excitement was soon over.

The flames started among some loose papers in a storeroom.

In Narragansett Bay and Long Island

Hartford, Aug. 20.—Two soldiers from the Twelfth New York infantry passed through this city about noon today on their way from New York to Boston. They left New York Monday morning and their reason for "hiking" to the Hub city is to test out a new kind of knapsack which they are wearing and which was gotten up by one of the officers of the Twelfth regiment. It is cialmed that it is far more comfortable Sound Same Conditions Prevail. Providence, R. I., Aug. 20.—The oyser set in Narragansett bay this year a failure, which is rendered more erious by the same conditions pre-ailing in Long Island sound, which is smally depended upon for a large part the seed ovaters. claimed that it is far more comfortable than the old style, and the soldiers re-port that thus far they have found the seed oysters.

Every year millions of oysters are "planted." Last year there was a phenomenal set, but it takes the young oyster from three to five years to

UMPIRES TO DECIDE QUESTION.

ontending Armies, New Ereathe Easier.

decided by the umpires in charge New Haven & Hartford railroad, the manocurres. Gen. Tasker H. awaiting the arrival from the seat of its contends that his army had the contends that his army had the correction advantage when the hostil-

The steamer New Hampshire of the New Bedford-New York line carried a large number of umpires and other regular army officers when it left New Bedford for New York tonight. These officers have for the most part been attached to the headquarters of Maior General Leonard Wood, the chief umpire of the war game, at the White farm, in North Rochester.

Fighting Tenth Cavalry Start Over land for Fort Ethan Allen. A start was also made during the day by the colored cavalrymen of the Tenth regiment, U. S. A., who figured so prominently in the war manoeuvres as scouts at the head of the army of the Red. They left overland for their post at Fort Ethan Allen and tonight went into camp at Braintree.

Strenuous Days and Nights Are Over. In order to fill out the required tour of duty of one week, the Massachusetts troops, under Brigadier General William A. Pew, which constituted the defending army of the Blue, remained in camp near Hanover, all day, most of the soldiers devoting the day to rest, which was much needed, after their streams down and media of mascel. strenuous days and nights of marching and countermarching. Orders will be given probably to break the Blue camp tomorrow morning.

BIRMINGHAM IS TIRED OF BEING MADE THE GOAT. Would Welcome Investigation of His Connection With the \$50,000 Loan.

New York, Aug. 20.—Sterling Birmsingham, the dismissed ioan clerk of the Windsor Trust company, wild today through his counsel that he was "tired of being made the goat." An investidespatch from Monteres to the Mexico
Daily Record says:

"Not a weapon of any kind could be bought today. Half the men of the town are carrying concealed weapons. Lodges of clandestine Masons, who recognize General Reyes as chief, are preparing a demonstration at Alameda. Trouble is feared."

Mexico City. Aug. 20.—Special news despatches from various parts of northern Mexico agree that the situation throughout that region is one of

The government has the situation well in hand.

The trouble centers about the personality of General Bernardo Reyes, governor of Nuevo Leon and formerly governor of Nuevo Leo meeting of all the ciandestine lodges of Masons throughout the Monterey re-night at the Tombs. Katz had to fur-gion. It is asserted that these fraud-nish \$25,000 and Clark's bail of \$12,000

> that the trust company knew the prin-cipals to the loan were to remain strangers, the district attorney holds that there is no evidence thus far to show that the officers connived at the disappearance of the collateral, which subsequently turned up for sale on the

\$100,000 NEW STOCK. Aetna Indenmity Stockholders Vote to

Hartford, Aug. 20.—At a special stockholders' meeting of the Actna Indemnity company, held this afternoon at the home office, 36 Pearl street, it was yoted to increase the capital at the home office, 35 Pearl street.
